2017 Annual Report

Greetings WAG supporter!

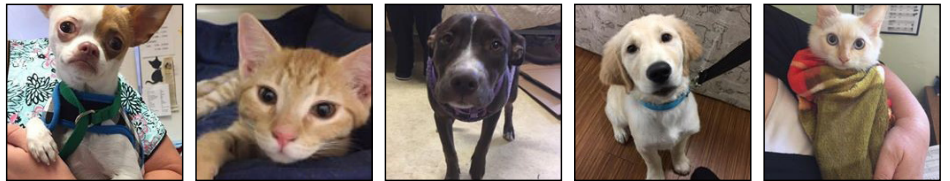

It's been another exciting year at WAG, with 2017 being The Year of Improvements. We leased space next door and moved check-in from outside to inside—no more clients standing in the cold and wet! We also remodeled the clinic to provide a better wellness appointment experience, including a new exam room. These improvements were possible thanks to donors like you!

In August, we welcomed a new Director of Operations, Kurea Delgado, who brings strong leadership experience to WAG. Longtime staffer, Tracy Busby, was promoted to Office Manager, and works closely with our new Scheduling Coordinator, Jill Barnes. In three months, this new team has greatly improved clinic efficiency and client experiences.

What didn't change in 2017? Our amazing medical staff! Dr. Robe, Roni, Dee, Jenny, Kelli, Debbie and Amber have rolled with two years of big transitions at WAG, maintaining the competence, commitment and compassion WAG has come to be known for. Thank you staff!

Next year promises to be another successful year, with WAG reaching some huge milestones including our 10-year anniversary and 50,000th spay/neuter surgery. We are grateful for the support WAG receives from the community and are eager to continue improving client experiences. Thank you WAG supporters!

Help Us Reach \$20,000 Matching Donation!

Thanks to a very generous WAG donor, every donation we receive in response to this newsletter will be matched dollar for dollar, up to \$20,000!

Please help us reach this \$40,000 goal by donating today. WAG receives no government funding and depends on community donations to meet our goal of making spay/neuter accessible to all. Your support is needed and greatly appreciated!

COMING NEXT YEAR

Celebrating 10 Years and 50,000 Surgeries

It's hard to believe that nearly ten years have passed since WAG's founders, Jill Winans and Kathy Ford, first opened our clinic doors for business. And when WAG reaches its 50,000th spay/neuter surgery next year, that number will conservatively represent a **QUARTER OF A MILLION fewer animals** over the last ten years taxing our local shelters and rescues or suffering on the streets.

Stay tuned for announcements on how WAG plans to celebrate these incredible upcoming milestones in 2018!

FUNDRAISING HIGHLIGHT

Night of a Thousand Spays

This March, over 300 supporters celebrated WAG's mission at our Night of a Thousand Spays gala—the event was a smashing success! We raised over \$41,000 thanks to generous business donors, community sponsors, event volunteers and attendees. A special thanks goes to our Platinum Sponsor, Edgewater Furniture and Mattress, and our Gold Sponsor, Lovable Dog Rescue, whose support made this event a true success. Our paddle raise alone brought in over \$16,000 which was used to buy much needed medical equipment and cat kennels. The remaining \$25,000 raised continues to fund monthly subsidy promotions for limited-income pet parents.

This year's promotions included FREE spay/neuters for pits/pit mixes, as well as much-reduced surgery prices for cats and dogs with specials like our "Summer Spayathon."

Thanks to everyone who made our gala a huge success and helped us reach our goal to make spay/neuter surgery affordable for all in 2017!
